LOCATION

Towering 32 stories above the heart of the city, the new InterContinental San Francisco is adjacent to the magnificent Moscone Center and within a short, scenic stroll of the city's financial, entertainment and premium shopping districts. Adding to San Francisco's beautiful skyline, the cool blue exterior of the hotel offers guests as many reasons to stay inside as the city does to venture out.

MEETING/BANQUET FACILITIES

As the most technologically advanced hotel in the city, InterContinental San Francisco is a most desirable venue for meetings and events. An integrated Cat-6 fiber optics network backbone features a seamless hotel-wide T3 connection with dedicated conference room bandwidth and video-conferencing capabilities.

Twenty-three meeting rooms comprise a total of 43,000 square feet of flexible meeting space and all feature natural lighting. The Grand Ballroom at 6,489 square feet and the InterContinental Ballroom at 5,146 square feet are truly magnificent. Two outside terraces complement the diverse setting, and a third terrace next to the spa is the perfect place for outdoor events.
